

Harstad Builders Mobile App

Caleb Nwokocha

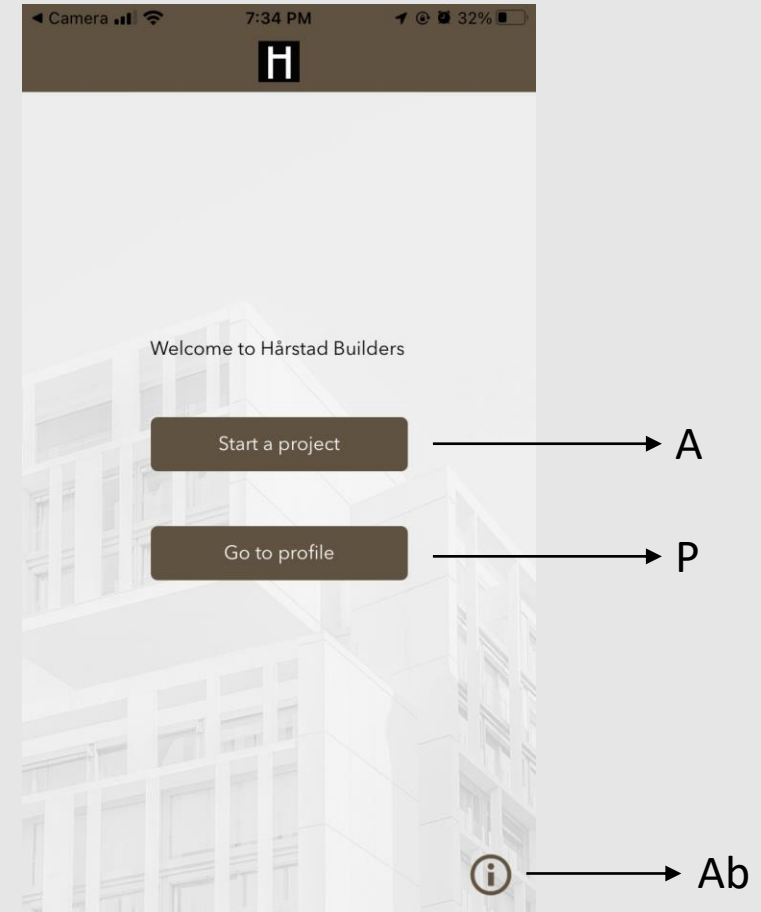

Splash

- This is the first page that appear when client open the app
- Ignore the item in the **red** box. That's due to software emulation.

Home

- Second page after the splash page
- This page has three buttons
- A = Area page
- P = Profile page
- Ab = About page

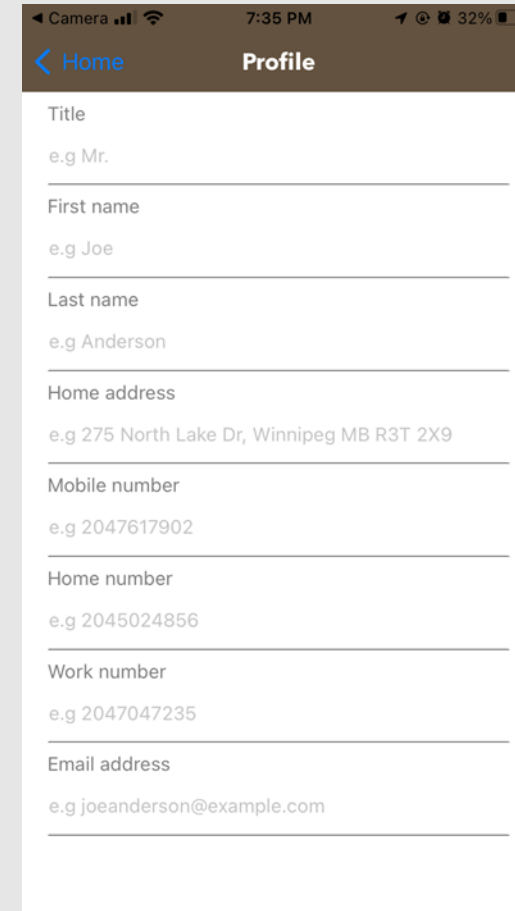

About

- This is About page, Ab
- Source:
<https://www.harstadbuilders.com/>

Profile

- This is Profile page, P
- Where clients setup their contact information

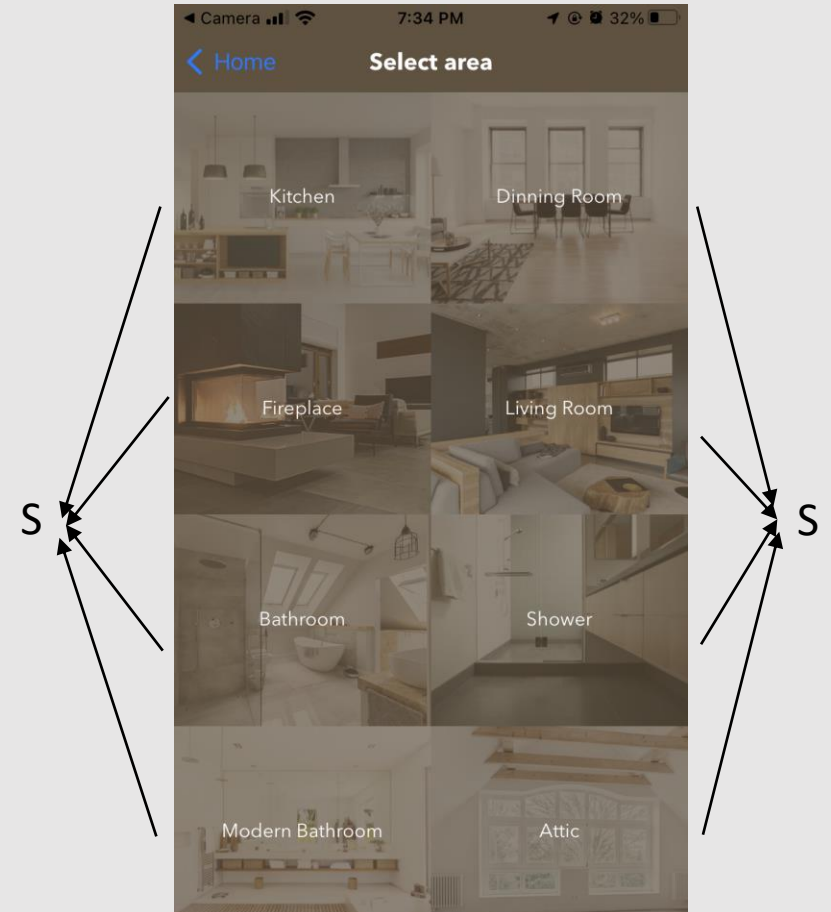

The screenshot shows a mobile application interface for a 'Profile' page. At the top, there is a dark brown header bar with a back arrow and the text 'Home' on the left, and the word 'Profile' on the right. Below the header, the form consists of several input fields, each with a label and a placeholder example:

- Title**: e.g Mr.
- First name**: e.g Joe
- Last name**: e.g Anderson
- Home address**: e.g 275 North Lake Dr, Winnipeg MB R3T 2X9
- Mobile number**: e.g 2047617902
- Home number**: e.g 2045024856
- Work number**: e.g 2047047235
- Email address**: e.g joeanderson@example.com

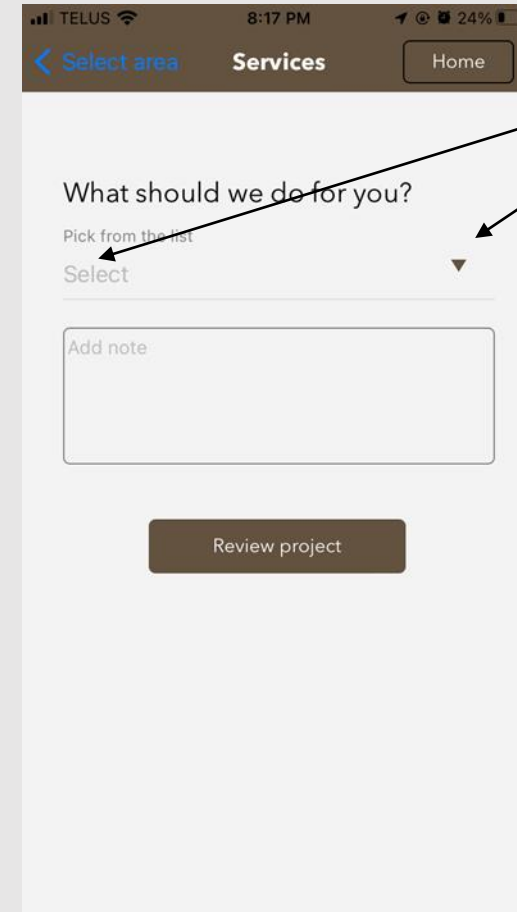

Area

- Area page, A
- Showing eight buttons in grid form
- S = Services page
- When tap, jump to S

Services

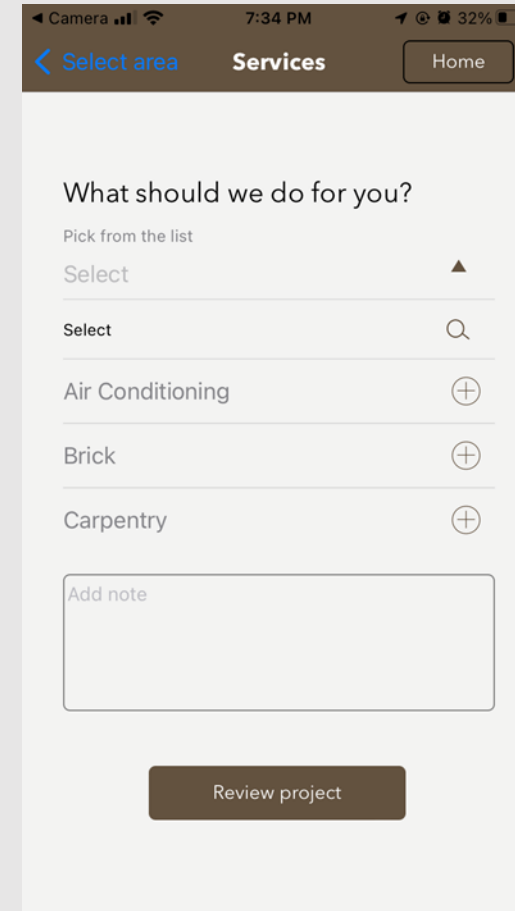

- This is Services page
- Tap the any of the **objects** to open a drop-down menu

Objects

Services

- Service page
- There is scrollable drop-down menu that show selectable items

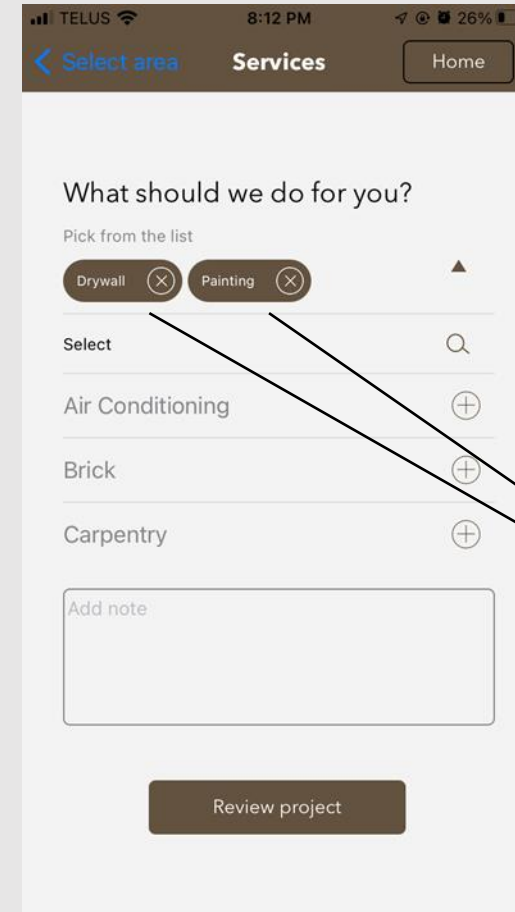

The screenshot shows a mobile app interface for selecting services. At the top, there is a status bar with 'Camera', signal strength, Wi-Fi, time '7:34 PM', and battery '32%'. Below this is a navigation bar with a back arrow, 'Select area', 'Services', and a 'Home' button. The main content area has the heading 'What should we do for you?' followed by 'Pick from the list'. A scrollable list contains a 'Select' item with a triangle icon, a 'Select' item with a magnifying glass icon, and three items: 'Air Conditioning', 'Brick', and 'Carpentry', each with a plus icon. Below the list is a text input field labeled 'Add note'. At the bottom is a 'Review project' button.

Selectable items

Services

- Service page
- Clients can add special note as project details

The screenshot shows a mobile application interface for a service selection page. At the top, there is a status bar with 'TELUS', signal strength, time '8:12 PM', and battery level '26%'. Below this is a navigation bar with a back arrow, 'Select area', the title 'Services', and a 'Home' button. The main content area starts with the question 'What should we do for you?' followed by 'Pick from the list'. There are two selected items, 'Drywall' and 'Painting', each with a close button (X). Below these are four more options: 'Select', 'Air Conditioning', 'Brick', and 'Carpentry', each with a plus button (+). At the bottom of the list is a text input field labeled 'Add note'. A dark brown button labeled 'Review project' is at the very bottom. Two arrows point from the 'Drywall' and 'Painting' buttons to the word 'Selections' on the right.

Selections

Review & Submit

TODO:

- Implement database
- Retrieve and display project details here for review and submission
